## Mr. Jenks's 7th and 8th Grades Classroom

The following is written by  
Mrs. Wolter and Mrs. Meyer:

- There are no more incompletes. The children will be graded on what they completed for every assignment. So encourage your child to complete all assignments, or ask questions right away in the morning.
- The students will be working hard at practicing routines and procedures. Please encourage your child to read and interpret texts--make meaning of those words, paragraphs, and pages. Please encourage your child to express complete, clear thoughts and ideas. Please encourage your child to work together--include and involve everybody in a group effort rather than just look out for ourselves. Please encourage your child to **label their papers with the date, assignment, and page numbers. Please encourage your child to write everything in their planner from the board.**
- Students need to work on **writing in complete sentences and making sure their work is neat.**
- Our first quarter ends on October 29th already!
- Jesus is our Good Shepherd!
