Real Essentials Corner

- This week we discussed how important it is to show respect to ourselves and others by using proper manners.
- We show God's love to others by being grateful, kind and helpful.
- Mrs. Henry did a secret experiment and found out that 43 percent of the kids who went through the lunch line said "Thank you" to our cook and server.
- We agreed we can do better and raise our percentage! There will be another experiment conducted at a surprise later date to check our progress!
- We used skits and role playing to practice some manners scenarios!

We are in need of a Pre-school Classroom Aide, Tuesday and Thursday mornings 8-11:15am. Contact Laura Henry for more information 507-432-6597

- Spelling tests have not been going well for many children. We practice as we have time during the week, but it is important that the word list be studied at home as well. Some spelling patterns and words can only be spelled correctly if visualized and practiced.
- **Spelling:** Both 1st and 2nd grade lists will come home on Monday the 3rd, and the test will be on Friday, Oct. 7th. Look for it in the take-home folder. Please study the word list at home!
- **Memory:** We are working on the letter F verse. Next week is the G verse. Ask your child to recite all three verses learned so far - they'll most likely do actions with it.
- Jesus, the Light of the world!

The SJL School students participated in the annual Walk-a-thon for Nonpublic Education

Mrs. Wolter's 3rd & 4th Classroom

- Thank you, Jesus, for being the Light of the world! Thank you, also, for always keeping us safe.
- We are reviewing some classroom courtesy guidelines. For example, when the teacher is talking, the students should not be. Also, when a student is asking a question, it is not kind to interrupt that student with your own question. Lastly, we are practicing raising our hands and not just talking! These have been improving daily! Thank you!
- We are also working on remembering our name on our paper, making sure we completed everything on the page before it's handed in, and remembering periods and capitals letters.
- Our classroom would appreciate a few cases of **water** if anyone is willing to make a donation! Thanks so much!
- **Early-Outs every Wednesday** 12:30 dismissal
- **Accelerated Reader:** each child made a **goal** to achieve for this quarter. Is your child reading? Encourage them to read every night!!
- **MEMORY WORK** continues! Please have your child look it over and study it the night **BEFORE!**
- In Religion this week, we Isaac, Jacob, Esau, and Rebecka!
- Spelling TEST today - Unit 2 Week 1
- States TEST today
- Have a great weekend!

- **Lakefield Soccer Tournament** was a blast. We had great sportsmanship! The kids all played well together and half of them were able to get a goal! I'm so proud of them! We even won all 3 games! It's amazing how everything comes together when you support each other and play as a team! :)
