Mrs. Schoen's

Kindergarten Classroom

- Please help your child write their letters in their name correctly. If you would like some premade papers with their names already on them in the lines, please let me know. We are working on students writing their letters in the lines correctly in handwriting.
- Students need to continue working on reading their sight words and color words!
- We have learned how to read the words: I, can, the, we, see, & a. Our letters we are focusing on this week are the letters P. We have also been reviewing the letters that we have already been working on.
- We read many books about fire prevention this week and learned about what we should do if there was a fire.
- Please don't send toys to school with your child unless asked to do so. They are causing issues in class.
- Reminder....No School next week on Thursday and Friday! Enjoy your fall break!
